

Dr. Joy Masuhara

Speaker Spotlight

Dr. Masuhara is a Family Physician who has worked in Older Adult Mental Health for more than 25 years, with the latter half focusing primarily on Chinese older adults. She also spearheaded a Physician-Led Quality Improvement project aimed at improving the quality of, and access to, mental health services for frail Chinese seniors.

Dr. Masuhara is the Inaugural Regional Medical Director of Equity, Diversity, and Inclusion at Vancouver Coastal Health. She leads change towards a more equitable future with her lived experiences breaking down discriminatory social and cultural structures.

Join us on May 31 and Jun 1, 2024, to learn from Dr. Masuhara. She will be speaking about aging experiences for 2SLGBTQIA+ people and will lead a panel discussion with **Sandra Lee**, Senior Manager at Little Mountain Place and **Chris Morrissey**, co-founder of LEGIT and Rainbow Refugee and a dedicated activist who was awarded the Order of Canada for her advocacy work.
