Submissions - February 25**

CONNECTING WITH COLLEAGUES:

Call for Poster Presentations

Poster presentations that support the 2023 conference theme will provide an opportunity to share research and best practice initiatives with colleagues from across the province. Topics will range from health promotion strategies for older adults to provision of quality care in long-term care settings. Poster presentations may highlight research studies, educational programming, quality improvement projects, and effective organizational responses to the COVID-19 pandemic. Posters will be on display for participants to view and discuss with presenters.
