# Ethics and Lived Stories

Creating the right Time, Place  
THAT WILL ALLOW THE RIGHT CHOICE  
To EMERGE  
nuance means a lot.

Keep Statistics  
in mind but  
Remember:  
**individuals ARE individuals**

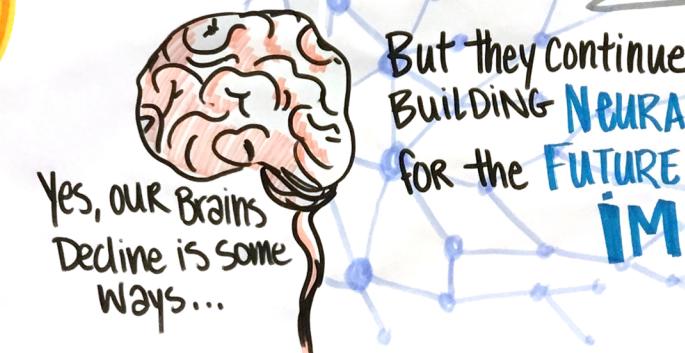

The Surgery was simple  
He was fit  
He survived!  
The old all-wise Senior DR Handing down Decisions is **Changing** Paradigm

its Probably time to **THINK** this over again

Putting everything Together. To make a Prediction and a **CHOICE**

When things don't go as planned...
